MEMORANDUM FOR: Chief, Special Projects Staff/ODP
THROUGH : Director of Data Processing
SUBJECT : Office of Data Processing Support
REFERENCE : ODP-738-77, SPS-E026-77, 25 April 77,
Same subject

25X1A 1. We regret that we will not be able to comply with your request for technical assistance. We concur that [REDACTED] of OTS would be well qualified to assist you in the proposal evaluation, but he is presently involved in a high priority program (as program manager) which will, itself, be in a critical phase during the July/August time frame. He will, therefore, be unable to assist you during this period.

2. We have reviewed the qualifications of our other personnel in OTS, but have been unable to find another individual properly qualified to assist you. We are forwarding a copy of your request for support, along with this response, to the Office of the DDS&T. We are hopeful that a substitute for [REDACTED] can be designated from the S&T to assist you in your proposal evaluations.

3. We regret our inability to comply with your request, and wish you success on your ADSTAR Project.
